

DISCOVER NEW SKILLS AND COLLABORATE TO BECOME MAKERS OF THE FUTURE

WIN MAKING-THEMED PRIZES FOR YOUR SCHOOL AND TEAM

SPEAK TO YOUR TEACHER TO FIND OUT HOW TO TAKE PART

COULD YOU HAVE A GLOBAL IMPACT?

JOIN THE CLIMATE (IN)ACTION WATER SAVING CHALLENGE!

The Midlands Maker Challenge water saving challenge gives you the chance to make a difference by identifying and tackling an issue important to you.

- ◆ Imagine, design and create meaningful solutions to the challenge
- ◆ Learn new skills and discover your talents as a maker
- ◆ Consider makers of the past at the Museum of Making to make better decisions for the future
- ◆ Collaborate with others to make a prototype using a Maker Kit with different materials to inspire your thinking
- ◆ Celebrate your achievements and build your portfolio

THE CHALLENGE FOR TEAMS OF THREE AGED 13-16 LAUNCHES 18 OCTOBER 2021
